

## CERTIFICATION

The Hellenic Society for the Protection of Nature (H.S.P.N.), coordinator of the “Blue Flag” for Greece, awarded “Maratha” beach with the “Blue Flag” for 2017, after successful assessment and judgment by the International Jury.

The award of this coast was given after private initiative followed by the application of the company “Noties Sporades S.A.”, which manages the adjacent to the coast five star hotel “Skiathos Palace”.

Specifically, “Maratha” beach is organized and managed by “The Skiathos Palace Hotel”, offering all necessary services and infrastructure, meeting all the 33 strict criteria of the “Blue Flag” programme, which are related to bathing water quality, environmental education-information-management, protection of coastal environment and coastal area and the safety of swimmers and visitors.
